Motorized Operated Valves (MOV)
Motorized valves with electric actuators

- Emergency failure (fail safe)
- Modulation service
- Isolation service (on-off)
- Fast operation service
- Partial stroke electrical test
- Class 1 Division 1 Groups C, D
- IP 67, 68
- Intrusive and non-intrusive
- Datalogger to register number of events
- Smart valves
- Local and remote operation
- Wifi, Bluetooth

Communication Protocols

- AS-i
- DeviceNet™
- FOUNDATION Fieldbus™
- HART®
- Modbus®
- Pakscan®
- Profibus®
